## Catholic Schools Week 2008 January 27 - Feb. 2, 2008

The 2008 theme is “*Catholic Schools Light the Way*,” which highlights the mission of Catholic schools to provide a faith-based education that supports the whole child academically and spiritually and prepares students for future success. Catholic Schools Week is a time of joy, and this simple theme highlighted that Catholic schools are indeed a resource and treasure for the entire community to celebrate.
