Re: Revised Policy for the Safety of Children In Matters of Sexual Abuse

A revised Policy for the Safety of Children In Matters of Sexual Abuse has been promulgated in the Diocese of Cleveland. This Policy must be read by all of our employees and volunteers who have contact with children and a signed acknowledgement form (see attached) returned to Carol Wenzel in the School Office no later than January 30th. It is imperative that this is read and acknowledged.

The policy may be obtained on line from the diocesan website, www.dioceseofcleveland.org or a printed copy may be obtained from our school or parish office.

Let me echo the words of Bishop Lennon, “Thank you for joining me in doing all that you can to ensure the protection of our children and young people. Please join me in praying daily for the young, that they will be protected from any harm. Pray too for those who have been affected by sexual abuse, that reconciliation and healing will be abundant for them.”

God bless you,

Father Dave R. Ireland
