

St. Gregory the Great Spring 2010 Sports Registration

Please complete this registration form and send it with payment with your child to school (attn: SGAC) prior to Friday, February 19th. The completed form must be submitted with full payment in order for your athlete to participate in spring sports. Checks made out to SGAC will be accepted. The number of spring sport teams fielded and possible combination of grades to field a team will be based upon the number of athlete registrations received.

2010 Spring Sports Registration Fees:

CYO Boys Baseball Grades 4-8	\$ 75.00
CYO Girls Softball Grades 4-8	\$ 75.00
CYO Boys and Girls Track & Field Grades 4-8	\$ 75.00

Please note:

Registration fee is reduced by \$5.00 when registering more than one child in a family.
Students may not register for more than one spring sport.

Program Support: Playing sports and team membership are important parts of your child's experience at St. Gregory the Great Parish School. Providing this opportunity to our children requires the generous donation of time from dozens of volunteer coaches. The St. Gregory the Great Athletic Club (SGAC) is always in need of committed coaches. Please indicate your interest in coaching in the space provided below. SGAC must continually work to raise funds to support our programs. Every CYO Team sponsored by St. Gregory the Great generates considerable expense. Unfortunately, registration fees do not cover the cost of sponsoring CYO Sports teams. SGAC depends on fund raising activities to cover the cost of sponsoring teams. Each year, SGAC raises money through the Holiday Tournament, the Roundball Classic tournament, hosting 4th and 5th grade league basketball, and social events such as the Bean Bag Bash. SGAC needs volunteers to maintain effective fund raising activities. In an effort to control individual participation fees, SGAC is requiring all parents who enroll their child in a St. Gregory the Great sponsored sport to volunteer at fund raising events. By signing below, you are acknowledging this requirement. In turn, we will make every effort to provide a variety of opportunities to meet the commitment.

I am interested in coaching a ____ grade Boys Girls Baseball Softball Track & Field team.
