Dear Parents/Guardians of all Ski Club Participants,

Thank you for showing an interest in joining this year's Ski Club. It has been a wonderful tradition at St. Gregory's for over two decades.

Due to the few number of participants this year, we need to adjust the days and cost of the program. In order to keep the increase to a minimal \$25, we will forgo the extra "free day" that we have included in prior years. This year Ski Club will begin on **Friday, January 8th and continue through Friday, February 5th**, for a total of 5 days. There should be plenty of opportunities in February if we need to make up any of our regularly scheduled days due to lack of snow or a snow day.

After February 5th, the students can still ski on their own and receive rental (if applicable), on Fridays at no cost.* They will also have use of their three "freebie passes" anytime other than Fridays until the season ends. These passes may be transferred to other family members or friends, too.

*St. Gregory's is not responsible for students after our five club days.

The adjusted prices are as follows based on 18 students attending:

With rental equipment and 5 round trips.....\$305

Without rental equipment and 5 round trips.....\$257

**These prices reflect an increase of \$25 per participant. This is still a great deal for lessons, lift tickets, equipment, transportation and supervision!

Please return the following forms and a check made out to St. Gregory the Great, no later than Friday, December 11. Please be prompt, as we need to get the forms and fees out to Brandywine for processing.

- 1) Brandywine brochure filled out completely
- 2) St. Gregory Ski Club Rules and Regulations sheet (1/2 sheet) (online if needed)
- 3) St. Gregory the Great Permission Slip (attached)

Thank you for your interest and understanding!

Sincerely,

Mrs. Hanus, Mrs. Ball and Ms. Vercellino (Ski Club Advisors)
