St. Gregory the Great Sun Newspaper Subscription Program Details:

1. The subscription rates are the same whether you subscribe/renew through this program or directly with Sun Newspapers, so you're not out-of-pocket any additional money.
2. Sell or renew as many subscriptions as you choose to family, friends, co-workers, etc. Each subscription generates tuition credit for your child(ren).
3. Make sure the subscription form is filled out completely and clearly to ensure proper tuition credit.
4. To receive tuition credit, the subscription form MUST be returned to the St. Gregory Certificate Program either through the school or the rectory.
5. Once a week, the subscription forms will be sent to Sun Newspapers by the certificate program.
6. Once a month, Sun Newspapers will send a check to the certificate program for the subscriptions/renewals received. When the check is received, your tuition credit will be posted.
7. This program runs from May 1 through April 30. All credits posted by April 30th will apply to the following school year (e.g., credits posted through 4/30/05 will be for the 2005-2006 school year).
8. No money will ever be returned to you; and your tuition credits cannot be used for anything other than St. Gregory the Great tuition. Also, should your child(ren) leave St. Gregory the Great for any reason, any unused tuition credits would be forfeited to the certificate program scholarship fund.
9. Keep track of whom you sell subscriptions to. When it is time for renewal, send them a gentle reminder to renew through the program, not directly with Sun Newspapers, so you will continue to receive tuition credits each year.
10. Make as many copies of the form as you want; additional forms are also available in the Rectory and Credit Union.
