

Dear Future Sixth Grade Students,

I wanted to thank you for a wonderful year. I enjoyed all that I taught, and all I learned from you!

Looking into the start of the summer, I thought that many of you might be looking for some reading material that you may enjoy, or to keep you smart! I came up with a list of mostly classic stories, but a few newer ones. Some of you may have read these stories, which you can recommend to your friends. Some are not fiction. You are not required to read any of these books, because I will not be teaching you reading next year, but sometimes we need ideas for a possible good book. Enjoy the rest of your summer. I look forward to seeing you in the halls next year ☺

Love, Mrs. Mullins
